

LAWSON'S DRY HILLS
— MARLBOROUGH —

Mount Vernon Sauvignon Blanc 2022

Tasting Notes

This wine is a pure expression of a clean, crisp Marlborough Sauvignon Blanc. Vibrant aromatics of citrus and passionfruit are balanced by gentle herbaceous notes, while the palate is fresh and dry with lovely depth and juicy fruit flavours.

Vineyards and viticulture

The 2022 vintage was an early harvest that has produced wines with lifted aromatics and nice balance. This wine comes from a selection of vineyards across Marlborough, each bringing its own special character and together they combine to produce something special.

Winemaking

Each block was picked individually and after gentle pressing, was then fermented separately with yeast selected to enhance the wine's fruity character. After fermentation, we selected the best tanks for blending to create this wine.

Alc 13%, pH 3.25, TA 7.2, RS 3.5g/L
Vegan friendly

Cellaring

Enjoy while young and fruity – over the next 12-24 months.

Food Match

Perfect as a refreshing glass of wine on its own, or enjoy with seafood, salads, vegetarian dishes, Asian-inspired cuisine or as a contrast to soft cheeses.
