Pink 2023

Spiritually, the mandala pattern is said to help transform ordinary minds into enlightened ones, while the shape symbolises balance and perfection. The colour pink represents compassion and glamour while silver is said to restore balance.

Tasting Notes

With a delicate pink hue, the nose on this wine offers pronounced, attractive strawberry and raspberry notes while the expressive palate has plenty of berry and citrus flavours leading to a crisp, dry finish.

Vineyards and viticulture

The Pinot Noir grapes for this wine came from our Chaytor's Road vineyard where the gravel soils and coastal influence produce grapes with bright, ripe, fruity characters. These 20-year-old vines grow large bunches and big berries that are ideally suited to Rosé. We harvest the grapes early in the season to retain the fresh acidity and keep the alcohol at a moderate level.

Winemaking

The grapes for this wine were harvested on the 15th of March at 22 brix and in perfect condition. They were pressed immediately, and the skins taken off the juice straight away to minimise colour influence and ensure a lovely, pale pink. The juice was then cool-fermented with a cultured yeast, specifically chosen to enhance the natural, berry fruit aromas and flavours.
