

# INVINITI

CERTIFIED SUSTAINABLE

Proud of our People, honouring our Place and preserving our Planet

*When you purchase something, it's good to know it has come from a good place. A place that honours the land and takes care of it for future generations. A place full of people who care about the resources they use and who work hard to replenish every single element.*

*We think carefully about our packaging choices too. Our lightweight bottles are made in New Zealand with a minimum 60% recycled content. The paper for our wine labels comes from sustainably managed forests (FSC certified) and the cartons are made from 100% recycled fibre. Our pallet wrap is even biodegradable.*

*The infinity symbol represents our continuous respect and care for the environment and our nonstop commitment to bring you a range of authentic, expressive Marlborough wines you can be proud to share with friends and family. Made by our small, hands-on team with grapes from our own vineyards, this wine is independently certified 100% sustainable and made at our certified net carbonzero winery.*

## VINEYARDS AND WINEMAKING

Grapes for this wine were selected from several of our vineyard sites across the Marlborough region. Picked when the fruit was perfectly ripe and packed with plenty of intense passionfruit flavours, the grapes were gently pressed and the resulting juice cool fermented in stainless steel. This retains the wonderful passionfruit aromatics and flavours. The wine was then blended and bottled.

Alc 12.5%, TA 7.1, pH 3.3, RS 2.5

## 2023 TASTING NOTE

This Sauvignon Blanc has lifted aromatics with passionfruit, citrus and fresh herbaceous hints. The palate is crisp and dry with lovely concentration making it the ideal, refreshing glass of wine.

100% certified sustainable and made in our certified net carbon zero winery.

## PERFECT FOR...

Everyone who loves the classic punchy style of Marlborough Sauvignon Blanc! Ideal on its own or with seafood, salads, dishes with fresh summer herbs, soft cheeses or as a contrast to richer dishes such as those with creamy sauces.
