Pink 2024

Spiritually, the mandala pattern is said to help transform ordinary minds into enlightened ones, while the shape symbolises balance and perfection. The colour pink represents compassion and glamour while silver is said to restore balance.

Tasting Notes

With its delicate pink hue, this wine looks beautiful in the glass! The nose offers pronounced, attractive strawberry and raspberry notes while the expressive palate has plenty of berry and citrus flavours leading to a crisp, dry finish.

Vineyards and viticulture

Made from Pinot Noir, the grapes came from the Flynn, Raupara Rd vineyard and our own Chaytor's Rd block. Both sites have gravel and silt soils and produce grapes with bright, ripe, fruity characters. We harvested the grapes early in the season to retain the fresh acidity and keep the alcohol at a moderate level.

Winemaking

Harvested on 29th of February and 6th of March in perfect condition, the grapes were pressed immediately and the skins taken off the juice to minimise colour influence and ensure a lovely, pale pink. The juice was then fermented at cool temperatures with a cultured yeast specifically chosen to enhance the natural, berry fruit aromas and flavours.

Alc 12%, pH 3.35, TA 7.2, RS 2.4g/L, Vegan

Cellaring

Enjoy while young and vibrant.

Food Match
