LAWSON'S DRY HILLS
— WINES OF MARLBOROUGH —

Environmental Policy

Lawson's Dry Hills Wines Ltd is committed to sustainable winemaking and viticulture including protection of the environment and prevention of pollution.

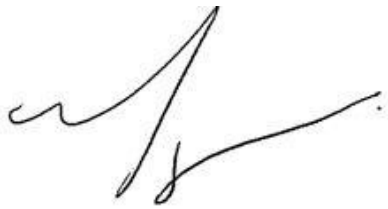
The company integrates environmental objectives into all relevant business decisions to ensure best sustainable practices in winemaking.

Lawson's Dry Hills is committed to fulfilling compliance obligations and continues to strive for ongoing improvements to the company's Environment Management System.

To achieve this, we will:

Set annual goals, objectives and strategies to ensure minimalisation of environmental impact and continual improvement of best practice related to resource use, waste management, pollution.
Comply with all statutory and non-statutory requirements applicable to our winemaking business in Marlborough and New Zealand
Maintain and adhere to environmental accreditations and certifications for our our vineyards and winery for the company as a whole, specifically SWNZ, ISO 14001, ISO 14064 and B Corporation
Communicate goals to all staff and make available to the public and other interested parties

This policy will be supported and endorsed by the Lawson's Dry Hills Wine Ltd management team



Signed: …….. Date 14/10/2026

Sion Barnsley, General Manager, Lawsons' Dry Hills
